

ISS, Product Data, Ingredients and Usage

LIFE LINE PATROL: An intensive dry skin moisture cream for face, neck and chest

SIZE: 2 fl.oz/60 ml

DESCRIPTION: *Life Line Patrol* features the high performing anti-oxidants of Co-Q10 enzyme and Vitamin E coupled with Jojoba Oil, Canola Oil and Shea butter to form a protective lipid barrier on the thinning skin around the face, neck and chest.

USE: After cleansing and toning, apply a thin layer of cream to the face, neck and chest area and massage into the skin. Life Line Patrol may also be used on top of a corrective face serum for both day and night.

Special Applications:

Combination skin: Apply *Life Line Patrol* on chest and neck. Use *Chain Reaction Protein Enhanced Moisturizer* for the face

Oily Skin: Apply to neck and chest area only. Use *Building Blocks Oil Protein Free Moisturizer* on face.

KEY SELLING FEATURES AND BENEFITS

Phospholipids: Creates a protective lipid barrier with Canola Oil, Shea Butter, Vitamin E, Aloe Leaf juice

Anti-oxidants: Fights free radical damage with the skin strengthening vitamins of Vitamin E and Co-Q10 Enzyme (Ubiquinone)

Citrus Oil Blend: Brightens skin's complexion with Grapefruit Seed Oil and Mandarin Orange Peel Oil

Aloe Leaf Juice: Obtained from the aloe plant also referred to as the "first aid plant". The juice is extracted for its' soothing and moisture plumping action.

Jojoba Seed Oil: A moisturizing ingredient that reduces trans-epidermal water loss. Studies show that Jojoba is quickly absorbed by the pores.

Lemon Extract: Obtained for the fruit of the citrus lemon plant. It contains essential oils, pectin and organic amino acids. It is celebrated for its toning, cleansing, purifying and brightening properties.

Free of synthetic color and fragrance and parabens.
