

SAVING FACE

What's taking off in skin care

Lighten Up!

Illuminate mottled, sallow complexions with **B. KAMINS BIO-MAPLE THERAPEUTIC BRIGHTENING MASQUE**. Glycolic and kojic acids help lighten skin while a patented blend of ingredients improves skin tone and elasticity. See yourself in a new light with **SAMPAR CITY OF LIGHT** line. **WHITE VELVET CLEANSER**, **SERUM LUMINESCENT**, and **SPOT LIGHTER** work synergistically to gently clarify complexions while lightening skin spots. **SOTHYS OXYLIANCE** brightens dull complexions while minimizing pores and soothing stressed skin.

Making Skin Sense

ISS, short for Intelligent Skin Sense, is a new skincare line that contains bio-effective peptides and multifunctional botanical complexes to promote collagen production and cell oxygenation.

What a Gem

Gently exfoliate dull skin with **AVEDA TOURMALINE CHARGED EXFOLIATING CLEANSER**, which contains jojoba beads and finely powdered tourmaline crystals that possess strong energizing qualities.

Another Pretty Face

Based on a combination of marine and herbal ingredients, **REPÊCHAGE PROFESSIONAL-ONLY VITA CURA 5 PHASE FIRMING FACIAL** visibly invigorates, lifts and firms.

Sleeping Beauty

BARE ESSENTIALS RAREMINERALS SKIN REVIVAL TREATMENT is composed of 72 macro and micro minerals to deliver brighter skin while you sleep and is tinted to match skin tones.
