## winter glow

If you haven't tried skin-friendly Bare Escentuals makeup, now is a great time to take the plunge. The line is available at the totally glammed up **BEAUTIFUL FACES**, a decidedly feminine and fashion-forward cosmetic and hair studio that is newly settled in downtown Westport. Here, powder foundation and application brush from the Get Started Kit (\$60).

*BeautifulFaces, 139 Post Road East, Westport, 226-1818.*

What dry winter air takes away, **INTELLIGENT SKIN SPA** returns, in abundance — the spa's recently launched hydrating product line is called H<sub>2</sub>O<sup>2</sup>. Owner and beauty innovator Marlene Katz prescribes the Bare It Moisture Sealant (\$36) to keep skin soft and smooth.

*For facials and holistic skin advice, call Intelligent Skin Spa, 37 Saugatuck Avenue, Westport, 341-9779.*

Great hair starts with ... yes, a great cut, but *also* a healthy scalp. Begin your end-of-winter hair overhaul with products from the **BUMBLE + BUMBLE TREATMENT SCALP REBALANCING THERAPY** line (starts at \$36).

*Available at Peter Coppola, 20 Wilton Road, Westport, 454-8600, and Eric Alexander Salon, 33 Danbury Road, Wilton, 762-1339.*

**MDSKINCARE** offers a spa-worthy facial that can be applied at home. The Intense Hydra Mask (\$60 for six) promotes smoother, younger-looking skin through weekly treatments.

*Available at Lanphier Hair Design & Day Spa, 25 Old Kings Highway North, Darien, 656-4444.*
